

Beauty

I Marine Collagen Revital Meso Cream

Wrinkle improvement

It confirmed the safety of marine collagen, no skin irritation and recognized effects in improving anti-wrinkle (22 women in 30s to 60s) through collaboration with KTR. It includes low allergy royal jelly based on patented "cosmetic composition for skin whitening and anti-aging containing water-soluble royal jelly with reduced allergy" certified by Foundation of Agri. Tech. Commercialization & Transfer.

It contains marine collagen and royal jelly to enhance the skin elasticity and moisture. The patented component extract of marine plants (kelp) and hyaluronic acid components with 3 molecular weights regenerate the elasticity of aging skin and form a moisturizing film on skin. It protects your skin by moisturizing.

- Natural marine collagen for moisturizing
- Royal jelly with reduction of allergy
- Triple Moisture Total Solution HYALURONATE AZ05 (containing hyaluronic acids with high, medium and low molecular weights)
- Patented mixed extract (mucin blend from marine plant)

Product Info	
Size	40*40*175mm
Capacity	50ml
Weight	178g
Age	20-50

I Company Introduction

Company Name : MARINE TECHNO INC.

Marine Techno has the technology to produce clean marine collagen, natural skin-care products, and multifunctional aquatic feed sources. Our high-quality products are created from fish skin with high protein extracted, refined, and processed through our technology. We promise to pursue further development using marine collagen to deliver quality products.
