## I Golden Drip Dew Therapy Shampoo

### Anti-hair Loss & Intensive Scalp Care

Golden Drip Shampoo – An intensive scalp care shampoo made of highly enriched medicinal herbal extracts. It is an all-in-one shampoo with hair treatment formula and herbal essence. It shows excellent functionality in intensive scalp care as well as hair loss prevention. Instead of purified water, it contains as much as 44% of 13 kinds of medicinal herb extracts in a bottle, which is made based on fermentation and distillation method to enhance active ingredients and maximize absorption into the scalp.

Our shampoo is suitable for all ages. It is especially popular among those suffering from seborrheic dermatitis, hair damage, eczema, and dandruff.

These natural medicinal herb extracts calms irritated skin, helps it recover, eliminates infection, and detoxifies the scalp. It also can give vitality to damaged hair and keeps it shiny and healthy.

Size (capacity) | 255ml  
anti-hair loss & intensive scalp care  
all-in-one shampoo with treatment and essence

## I Company Introduction

### Company Name : REBECOCO Co.,Ltd

REBECOCO is a natural skin- and hair-care cosmetic company that makes premium products by harvesting super enriched extracts using the dew extract method, the innovative patented method that efficiently extracts functional plant raw materials. Since our establishment in 2016, we have realized excellent indicators of rapid growth, high repurchase rates, and low claim rates in the premium trouble care area.
