I Eluo Love Edellis

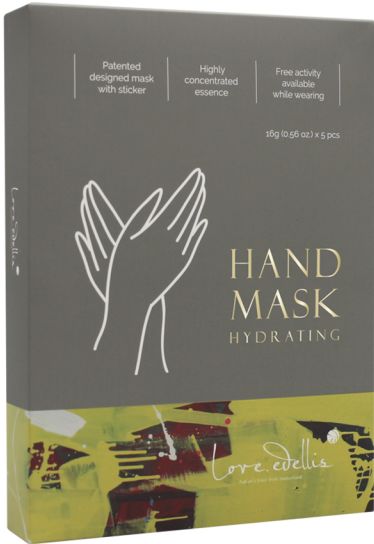

Eluo Love Edellis (Hand mask Hydrating)

The hand mask allows you to go about your normal daily life, such as using the touch screen on your phone while using it. It prevents wrinkles and protects the nails on your hands as well as provides effective hydration, nourishment and lifting. The highly concentrated essence gives your dry and rough hands a healthy and beautiful look with the use of a hand mask.

Two-layer sheet with attached sticker (non-woven material + polyethylene layer)

By using a polyethylene layer, it prevents the essence from leaking out and is effectively absorbed into the hands. During the use of the hand mask, it is possible to carry out normal activities of life.
