+ Company Description

Ninetails is an unrivaled pioneer of wrinkle care. It's not just an imaginary youth, it is easy and quick for anyone. We seek intuitive home anti-aging care that you can feel with your eyes and fingertips. All skin problems such as wrinkles, elasticity, pores and luster issues reveal as you get older. Ninetails has overcome the limitations of your natural skin without injections or lasers

Product

Advanced Line Lift Seru,

- 01 Advanced Line Lift Serum is a facial serum that immediately lifts the face and makes it look young. It contains PDRN extracted from Salmon DNA, and Exosomes extracted from the 20s, as white-necked mushrooms, and Centella extracts.
- 02 Spicule, Exosome, PDRN
- 03 Avoid direct sunlight, Apply once a day, on desired area.
- 04 3 years from the date of manufacture

Neck and Decolte Smoother

- 01 Neck and Decolte Smoother is a neck serum that improves the neck, sagging wrinkles, and the jawline in 30 seconds. PDRN extracted from Salmon DNA, and Exosomes extracted from the 20s, revitalize the skin and further strengthen elasticity.
- 02 Spicule, Exosome, PDRN
- 03 Avoid direct sunlight, Apply once a day, on desired area.
- 04 3 years from the date of manufacture

Double Drop Ampoule

- 01 Double Drop Ampoule is a combination of fermented Tamanu oil and peptide and collagen ampoule. It provides rich moisture and nutrition, adds soothing effects, and provides a robust multi-angle care effect that improves wrinkles, texture, elasticity, and luster.
- 02 Tamanu oil, Peptide
- 03 Avoid direct sunlight, Apply after toner.
- 04 3 years from the date of manufacture
