## I RIMAC Shine Repair Cream

Cream rich in nutrients that contains 24K gold with purity over 99%

There are five important things for those who want to have beautiful skin: moisture, elasticity, radiance, texture, and complexion. RIMAC Shine Repair Cream reduces wrinkles and helps skin remain clean by satisfying the five essential elements of beautiful skin.

**Gold**  
It is a functional nourishing cream that helps to moisturize and brighten skin while reducing wrinkles to make your skin appear more radiant.

**Cauliflower mushroom**  
The cauliflower mushroom extract, which is rare in Republic of Korea, provides moisture and nutrition to your skin. This keeps the skin clean and moist.

**Fullerene**  
Fullerene has been called as a “radical sponge” because it absorbs radicals from active oxygen.

- Contains 24K gold with purity over 99%
- Contains cauliflower mushroom to replenish moisture and nutrition
- Conforms to the Ministry of Food and Drug Safety standards for functional cosmetics
- Human skin irritation test completed
- EU CPNP & UK SCPN registered products
