LS FICTION T-SHIRT

An oversized lettering long-sleeved T-shirt

LS FICTION T-SHIRT is an oversized lettering long-sleeved T-shirt. "J'ADORE LA FICTION, CONTE DE PRINTEMPS"

It's a T-shirt with lettering meaning "I love imagination." It can be worn as a single item or inner from spring to early fall. Basic white T-shirt with black lettering printing is available without fashion every season. It has a soft touch and proper elasticity, so you can wear it comfortably. The basic round neckline design allows you to wear it safely. It's a comfortable fit that you can wear comfortably regardless of your body shape. It can be styled with various bottoms such as skirts and slacks, or worn with inner layers with appropriate thickness for outerwear such as jackets and coats. Depending on your styling, you can create a casual or classic look.

Styling Tip
Basic white T-shirt with black lettering printing is available without fashion every season. Oversized T-shirts are added with lettering, so you can style them with a single T-shirt.

Company Introduction

Company Name : LARTIGENT

LARTIGENT sets a concept every season and develops its design. LS Season developed its design inspired by Eric Romer's film 'Spring Story,' which was released in 1990. It conveys the brightness of the mood and tulips of Paris, France, in a visual image, and suggests daily wear with a warm spring feeling in our hearts that cringe throughout the winter.
