## I Hypoallergenic Shampoo (For All Dogs)

### Healthy Skin Solution for your dog

Your pet's skin is more sensitive than human skin and far more susceptible to harmful ingredients. So, it's best to maintain it with our high-end shampoo, formulated without harmful chemicals for the clean, health-conscious consumer.

- 100% natural cleaning agents
- EWG Green Grade : All ingredients are safe to use on your pet's skin.
- Healthy skincare : Our product passed the non-toxicity and skin irritation tests.
- Free of harmful chemicals : Sulfate, PEG, Paraben, Mineral-oil, Cocamidopropyl, Betaine, Silicon, etc.
- No need of conditioner : Rich, creamy, bubbly lather and a soft feeling after washing, so conditioner isn't needed.
