| Water Blossom Cleansing Serum

#DisappearCleanser #PureCleanser #MoistureSerumCleanser

Mild and moisturizing cleanser containing moisture essence ingredients.

- Contains botanical surfactants from mild coconut oil and one bottle of moisture serum for a refreshing, non-irritating cleansing.

Moisture serum cleanser for dry and sensitive skin

- The moisture-filled serum helps moisturize the skin even during cleansing to keep dry and sensitive skin feeling comfortable.

Spa essence cleanser made through cosmetic know-how

- This product was created through professional experience with consideration for those with sensitive skin.

| Company Introduction

Company Name : EDK SPA SOLUTION CO., LTD.

Phymongshe is a professional aesthetic brand launched in 2004 and renewed in 2018 with the concept of "Mindful Aesthetic" to become a global brand. Phymongshe has grown solidly into Korea's leading and long-time aesthetic brand. We supply products to many dermatology, beauty salons, and spas in Korea. We provide holistic sensory therapy based on optimized products and programs.
