I SPOUT POUCH MILKPLUS PERFECT PEELING GEL

Anytime, Anywhere, Simple & Smart for your precious skin

Homecare peeling gel that makes you feel as if you received professional skin peeling service. Perfect Peeling Gel gently removes dead skin cells and dirt to make your skin smooth and moisturized. The milk protein hydrates the skin and maintains the moisture. It brightens and nourishes the skin to make it smooth and radiant. Storytelling design through the character "Mika," reflects the outstanding color and characteristics of the core consumer group favored by millennials and the Z generation.

It is available in 30g and used as the main product, not as a sample (3 – 4 weeks use). Fresh cosmetics can be used at all times due to the fast use cycle. Spout Pouch fits your hand, therefore, easy to carry and bring anywhere. Even after breaking the seal, by using the cap attached, consumers can use the products multiple times without having to worry about hygiene and freshness of the products.
