+ Company Description

Welcome International Co., Ltd. is a global cosmetics distribution service company that satisfies consumers based on the three values of "impressed, satisfied, and differentiated." Based on CEO Kang Kyung-mi's strict brand selection with more than 20 years of cosmetic know-how, we have found the best products in the world and worked hard to satisfy customers. Now, based on our experience in various distribution channels, we will do our best to bring out customer satisfaction and customer impressions from all over the world beyond Korea.
