Product Info	
Model	S-6100
Weight	91.9g
Dimensions	170.5*79.6*0.8T
Color	White
Material	Silicone
Feature	Eye protection

| Company Introduction

Company Name : OTOS

OTOS is the world-leading company specializing in protective eyewear, including safety spectacles, welding safety spectacles, auto-darkening welding helmets, and powered air-purifying respirators (PAPR). It has over 39 years of experience. Today, the company has accelerated its design development and won the world-renowned top three design awards: Red Dot, iF, and IDEA in 2016, achieving the first grand slam in the protective eyewear industry.
