I Dr. HONG BLOOMING SCALP CARE ESSENCE

People like this, pay attention!

The very scalp essence to relieve hair loss, 100% exfoliation, gives the fastest and most obvious amazing change! Essence has 3 main advantages. First, it is product that mitigates hair loss. Second, it exfoliates the scalp. Lastly, it cares for damaged hair.

Blooming Scalp Essence has a scalp cooling effect that immediately lowers the temperature of the scalp that has been heated by outdoor activities.  
It is effective not only for the scalp but also for the hair. Even if you use it frequently, it is absorbed by the hair well, does not give a sticky feeling, and controls the oil and moisture balance of the hair.

Scalp Care Essence is a clear gel type that permeates the scalp well to maintain moisture.
