

We, BIONTECH, are pleased to contact you and would like to introduce our company and product shortly to you.

EVEN HEALTHIER AND HAPPIER

BIONTECH holds over 150 industrial property rights including patents, utility models and designs. A leading **alkaline water ionizer manufacturer** in Korea, it is now growing into a global enterprise, exporting various products to over 40 nations and manufacturing for 30 overseas brands worldwide.

La Shield Mist

LA SHIELD MIST used for **moisturizing and sterilization**. This mist sprays electrolytic water particles as **5 nanometer size** to enter deep into skin. It can be sterilized and deodorized simply by spraying it in a **place that is difficult to clean every day**.

Hydrogen Generator

LA SHIELD HYDROGEN GENERATOR is a easy way to **drink hydrogen water anytime, anywhere**. There is no inconvenience of having to clean the water bottle since it directly connects the commercial water bottles.

Electrolyzed Water Sterilizer

ELECTROLYZED WATER STERILIZER **electrolyzes chlorine ions** which remain in tap water. Over the electrode, this tap water is changed to be electrolyzed water that can **sterilize and deodorize**.

For further information on our products, please visit our website or contact us directly. We look forward to hearing from you soon.
