I Children's utensil

Edison Spoon and fork, designed for all people

A spoon & fork set that helps your child learn to eat independently.

Children will gain confidence that they can do things on their own and a sense of achievement, and enjoy eating independently. A portable case is included for outdoor convenience.

I Company Introduction

Company Name : INP Co., Ltd.

Built in 2002, INP Co., Ltd. is a business that preaches new values by developing products based on ideas and imagination. Through research, it has been the world's first developer of "Edison Chopsticks." It has applied for and registered patents on a variety of ideas and products besides this, and has also filed for patent applications abroad, to the Patent Cooperation Treaty (PCT) and in the United States, China, Japan, and Taiwan.
